

Title: We All Need Somebody
Lyrics: Val Kilmer

Smiles in the morning
Cry in the evening
All I need is some direction

Smile in the daylight
Cry in the moonlight
Good Lord knows I need protection

And we all need
Somebody
Yes we all need
Someday
With love and affection

Smile in the morning
Cry in the evening
All I need is some direction

Smile in the daylight
Cry in the moonlight
Good Lord knows I need protection

Then we all need
Somebody
Yes we all need
Somebody
With love and affection

Lie lie lie lie lie
I just feel alone
Lie lie lie lie lie
Will you walk me home
Lie lie lie lie lie
I ... be alone
Lie lie lie lie lie

And we all need
Somebody
Yes we all need
Somebody
Yes we all need
Somebody
Yes we all need
Somebody
With love and affection
