

G C6  
I was just walking on the beach with my kids today  
G Em  
We didn't have no plans, yet we just lazed and played  
C D  
Then I played a game, who could be the most truthful  
C  
And I said that in all the world they were the most beautiful  
D C  
But my daughter said no, I said Oh...  
D  
She said Daddy look around, look around  
G C D Bm Em  
She said all... She said all children are beautiful  
C D Bm Em  
Sing all children are beautiful  
C D G  
All, yes all, all

G C6  
We had so much fun, just laughing under the sun  
G Em  
Splashing our cares away in the blue waves as one  
C D  
And when we were done, I looked in the eyes of my son  
C D Bm Em  
Saying all children are beautiful  
C D Bm Em  
Sing all children are beautiful  
C D G  
All, sing all, all

G G  
Bum bum bum... Bum bum bum

G Em  
We held hands, built castles in the sand  
E Em  
As the sun went down I felt so calm and warm  
C D  
And all the way home, I knew that hole in me was gone  
C  
I knew I'd never be alone  
D  
Coz life is full and warm and round and round  
G C D Bm Em  
Coz all... All children are beautiful  
C D Bm Em  
Sing all children are beautiful  
C D G  
All, yes all, all
